**WE ARE VIRTUALLY OPEN 24/7**  
**BRINGING OUR LIBRARY TO YOUR OWN DESKTOP / LAPTOP**  
**OFF CAMPUS ACCESS TO LIBRARY DATABASES & REMOTE SERVICES**

The pandemic has pushed us to think outside the box, to create new methods to bring our information materials together and to assist our users in continuing their learning and development.

Despite the fact that everyone is a little 'Zoomed out', there is still a big demand for online interactions and conversations that provide new knowledge as we move forward into a 'new normal' and adapt new ways to address these information and communication needs.

At this juncture, I am very much pleased to inform you all that you could now access all our library databases such as **SCOPUS, Emerald Insight, Oxford Journals, Oxford Medicine Online, Wiley Online Library, SAGE Research Methods, ScienceDirect, and Taylor & Francis** from the comfort of your own office space or home front and continue with your research and teaching / routine activities without any interruption.

Yes, you were able to access some of these databases with IP authentication only from within the University premises. But now, you can access all these databases remotely from anywhere at any time using the university credentials which you obtained from CICT (*Centre for Information and Communication Technology*), Eastern University, Sri Lanka for Zoom/Wi-Fi account OR using a username and password provided by the Library. You do not need any username / password to the open access resources given in the booklet.

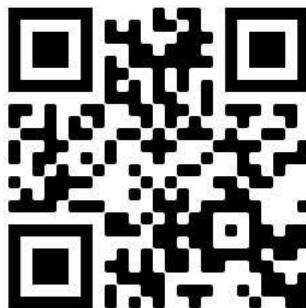

If you have not created your own ZOOM/Wi-Fi account, please contact the Director/CICT, EUSL ([diretorict@esn.ac.lk](mailto:diretorict@esn.ac.lk)). The same Username and Password which will be provided by CICT, EUSL via email could be utilized for the Remote Access to Library Resources.

If you face any issues in connecting to any resource hub mentioned in this booklet remotely, drop an email to me ([librarian@esn.ac.lk](mailto:librarian@esn.ac.lk)) OR come through the live chat link '**Ask the Librarian**' on the Library website. (<http://www.lib.esn.ac.lk>). Enjoy your search and let me know your feedback.
